

## YOUR GUIDED TOUR ON SUSTAINABLE COMPOSITES

Discover our solutions, meet with our tech developers and end-users

The EcoComposites Cluster, a joint initiative of the European projects **SUSPENS**, **REPOXYBLE**, **r-LightBioCom**, **FOREST**, and **FURHY**, invites you to a guided tour, cocktail, and 1-to-1 meetings, to discover our demonstrators and results on sustainable, bio-based composite solutions and meet with the EcoComposites Cluster partners at **JEC World 2026**.

**Wednesday 11<sup>th</sup> March at 11:30 h**

**Tuesday 10<sup>th</sup> March and Thursday 12<sup>th</sup> March at 12:00 h, depending on registrations received**

**JEC World 2026, Hall 6, Booth G 119-06**

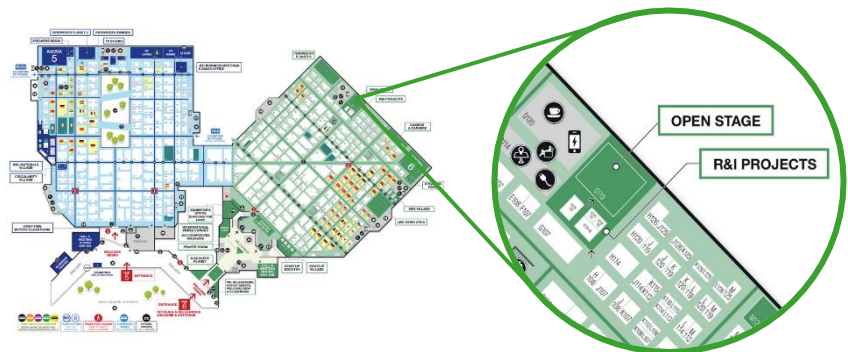

**Meet our developers, see our demos!**

Wednesday 11<sup>th</sup> March, 11:30-12:00 h *Guided tour of demonstrators*; 12:15 h *Cocktail and 1-to-1 meetings*.

Participation is limited to 15 delegates given the available space. Confirmation will be sent on a first come, first served basis. Additional guided tours might be organized on Tue. 10<sup>th</sup> March and Thu. 12<sup>th</sup> March depending on registrations received.

**REGISTER HERE**

**Location**  
**Hall 6, Booth G 119-06**

### The Partners and Demos

#### SUSPENS

- Demo: Aircraft wing structure, battery-pack base plate demonstrator, E-scooter battery top cover, Leisure boat rudder and daggerboard
- Meet with: IRT Jules Verne (Coordinator), COMPOSITEC, LIPEX, NTUA, APM, ORI, CTX

#### REPOXYBLE

- Demo: Depolymerizable epoxy resin systems for chemically recyclable composites, additives for multifunctionalization (e.g. IR activation, embedded circuits), automotive spat, wind blade model (post-project cooperation)
- Meet with: AVANZARE (Coordinator), GURIT, ONYRIQ, Universities of Patras and Girona, AIRI - Italian Association for Industrial Research

#### r-LightBioCom

- Demo: Spoiler demonstrator, trunk floor samples, pultruded profile samples, recycled fibres and composite materials, sustainable intermediate textile components for high-performance composites, epoxy vitrimers – ground and reprocessed
- Meet with: AITEX (Coordinator), German Aerospace Center, FeyeCon, Leibniz-Institut für Verbundwerkstoffe (Leibniz Institute for Composite Materials), Hochschule Kaiserslautern (University for applied Sciences), ACCIONA

#### FOREST:

- Meet with: AIMPLAS (Coordinator), Fraunhofer IFAM, FENIX

#### FURHY

- Meet with: CETMA (Coordinator)
